

# Reviving the Lost Art of Moldings

Why does a room feel right when you walk into it?

What's the significance of scale and proportion?

Have we lost our “design” roots?

Windsor Mill's AIA continuing education program touches on these issues and more, looking back to the Greek's, the evolution of moldings, and why they make such an impact on any building project. As an AIA member earn 1 CE credit for this 1 hour program and HSW credit. Learning Objectives include:

- ◇ Understand the origin of classic molding design
- ◇ Learn how moldings, used correctly, have the power to change the way people experience a room
- ◇ Rediscover the lost art of crafting moldings
- ◇ Learn how to specify historic moldings utilizing today's materials for lasting results and satisfied clients
